

Stars'n Tides

Michael Rowan-Robinson

The first one hundred
Stars'n Tides columns in
the Southwold Organ:

astronomy, cosmology,
exoplanets, comets,
meteorites, zodiacal dust,
the sea, the tides, tsunamis,
surges, global warming,
coastal erosion –

with a Southwold angle

Available by sending cheque for £7.99 to Stars'n Tides, 71 North Road,
Southwold, Suffolk IP18 6BH (postage free)
or email mrr@imperial.ac.uk for bank transfer details.
